We are all
Born dead.
The end exists
Before anything begins.

If living
Is a constant quest for awareness,
The awareness we gain at the end is the real goal.
In other words, death
Is the discovery and complete understanding
Of the end.

We are not permitted to seek awareness.
Those that cannot transcend death
Will not find awareness in anything.

A black and white manga-style illustration. A woman with long, dark hair and bangs is shown from the chest up, wearing a dark, textured jacket. She has a wide-eyed, open-mouthed expression of shock or surprise. She is holding the face of a man whose mouth is wide open in a scream. The man's face is heavily shaded with cross-hatching, and his eyes are wide and staring. The background is simple, with some horizontal lines suggesting a floor or a wall. There are four speech bubbles: one above the man's head, one to the right of the woman's head, one to the left of the man's head, and one to the right of the woman's head.

WHAT

BLEACH THE MOVIE

BLEACHが映画になりました。
設定画から絵コンテまで、
あらゆるものから作り手の
気持えが伝わってきます。
楽しいものになりそうです。
アニメに満足してる人、
更に深い満足を感じる筈です。
アニメに満足していない人、
きっと満足できる筈です。
俺も必ず観に行きます。
だから、舞台挨拶だけ
だか初日誰か代わってくんないかなあ。
